

We're good at juggling (we've got the balls!)

We're **Global Infosys**... an outsourcing company based in the UK, dedicated to help you reduce operating costs and increase your bottom line... **without dropping a ball.**

We'll provide you with your very own '**virtual, fully manned, back office**' in India, guaranteeing service delivery and professionalism with no strings attached.

Business documents are scanned at source and processed in India with a fast turnaround to ensure deadlines and time critical projects run to schedule.

Service Level Contracts and Satisfaction Guarantees form part of the GI unique offer with our 'non-payment clause'.... **if you're not satisfied, you don't pay us.**

**Take the strain off your business
and let us do the juggling.**
